

## TOWNSHIP HIGH SCHOOL DISTRICT 211 iPad Protection Plan

*Dear Parent/Guardian:*

*Township High School District 211 offers each student the opportunity to protect district-owned iPads issued to students as part of the One-to-One Program. This plan protects the iPad against accidental damage (drops/spills), loss, theft, fire, flood, and natural disasters. This protection plan will provide replacement cost coverage and protect the iPad on and off school grounds. This plan will also act as an extension of the manufacturer's warranty against defects.*

*This protection plan will not provide coverage if:*

- Find My iPad is not active or has been disabled
- The District 211 issued case, or an equivalent case, is not in place
- The District 211 iPad is deliberately damaged or mishandled

*In these situations, this policy is rendered null and void and the family will assume all responsibility for the full cost of the repair or replacement of the iPad.*

## iPad Usage Terms and Conditions

In this Terms and Conditions, “we,” “us,” and “our” means Township High School District 211. “You” and “your” means the parent/guardian and the student enrolled in District 211. The “property” is the iPad owned by District 211. Upon signing, you are eligible to receive the property at no cost with the following terms and conditions:

<b>Terms</b>	You will comply at all times with the District 211 Code of Conduct and Acceptable Use Agreement. The Classes of 2019 and 2020 will be assigned a restricted iPad until such a time as they become eligible for less restrictions due to promotions and Digital Literacy and Citizenship training. Any failure to comply may terminate your rights of possession effective immediately and the school may repossess the property.
<b>Title</b>	Legal title to the property is held by District 211 at all times. Your right of possession and use is limited to and conditioned upon your full and complete compliance with these terms. As there is no filtering software placed upon the property, your compliance of these terms may require parental and self-monitoring while using outside of District 211 facilities.
<b>Loss/Damage</b>	If the property is damaged, lost, or stolen, you are responsible for the reasonable cost of repair or replacement value on the date of loss. Loss or theft of the property must be reported to school administration by the next school day following occurrence. The iPad/Apple ID account includes access to a “Find My iPad” feature that enables the registered account holders to attempt to locate their iPads via Apple’s online services. District 211 is not responsible for assisting with the recovery of any lost or stolen devices. You may be required to file a police report.
<b>Appropriation</b>	Your failure to return the property in a timely manner and the continued use of it for non-school purposes without the consent of District 211 may be considered unlawful appropriation of the school’s property.
<b>Indemnification</b>	The student and parent/guardian release, hold harmless, defend, and indemnify the District from any claims, liability, or money damages (including attorney fees) brought by a third person, the student, or the parents/guardians against the District and related to the student’s use of the device or the students’ or parents’/guardians’ breach of these terms.

If a student is un-enrolled from District 211 for any reason, the protection plan becomes null and void on that date. *This protection plan requires that Find My iPad be activated and always enabled. If this feature is disabled, this policy is rendered null and void and the family will assume all responsibility for the full cost of the repair or replacement of the iPad.* There are no refunds once this document becomes active. Deductibles and fees may be subject to change yearly.
